

Employees of The Cambridge Hospital should use the following instructions to enroll in a course offered by Center for MEDICS.

1. Click on the following link or enter the address directly into your browser:
<http://proems.enrollware.com/registration/schedule.aspx>
2. Scroll down the page to the class in which you want to enroll.
3. Select the date you want to attend the class.

ACLS Recert

ACLS is an advanced, instructor-led classroom course that highlights the importance of team dynamics and communication, systems of care and immediate post-cardiac-arrest care. It also covers airway management and related pharmacology. In this course, skills are taught in large, group sessions and small, group learning and testing stations where case-based scenarios are presented.
